

Pack 360 Newsletter

Dear Pack 360 Family,

This year seems like it had just started and now we are looking upon the end of 2009. That's right the year has now come and just about gone. During this time of the year, it never fails. I sit back and think about where the year has gone. Well we all can say that we spent a lot of time in schools, work, or even at a Scout meeting or award ceremony.

There is one place that we spent more time that we realize and that would be in the hearts and minds of those that love us the most, our Families! So my Christmas wish for each of you would first remember the Reason of the Season. Remember that GOD sent his son to save you and me, I pray that GOD continues to bless your family for years to come.

Secondly, I would like to thank ALL the volunteers that assist in putting together a WONDERFUL program for our youth. If it was not for them, then Boy Scouts of America would not be what it is today. As we embark into the 100th year of Scouting, I continue to pray that GOD blesses all the Volunteer Leaders, Parents and the youth, to allow this program to be the best that it can be.

I would like to send a special "Thank You" to Rolling Hills Baptist Church for opening their doors, seeing the good in Scouting, noticing that this is a program that needs to be here and giving us the opportunity to have the experience that we have throughout the year. So on behalf of Pack 360 from the Tigers to the Webelos, from the Parents, siblings and all the leaders, we say "THANK YOU ROLLING HILLS BAPTIST CHURCH!"

Ending, my family and I would like to extend a very heartfelt Merry Christmas and a very safe New Year! May GOD continue to bless your lives and until 2010, good night to all and to all a good night.

Merry Christmas,
BJ Williams
Committee Chairman
