

Pack 360 Newsletter

Dear Pack 360 Family,

Well the New Year has come and gone and now the month as come to an end. We have made some changes throughout the year that we feel would benefit the unit in a more positive matter. We see that steps we have taken have worked out well, however we continue to see where we need improvements.

Just as any other non-profit organization, there is always room for improvement. We would like to reinforce our invitation to visit your Pack Committee meetings. Want to see how it all works? EVERY parent is encouraged to attend the meetings on the second Monday of every month at 7 pm here at the church, so please join us anytime.

Thank you for support for the scouting program and we look forward having more FUN!!!!!!

BJ Williams
Committee Chairman
