## INDIVIDUAL ACCOUNTS

You may not be aware of this, but we keep separate accounts (on paper) for each boy. When they participate in fund raising events, the profits they earn are added to this account. The funds in these accounts can be used to pay for dues, camping trips, summer camp (Cub Scout summer camps only), and any other Cub Scout related activity that requires a fee. If you want to use the funds in you son's account for a particular purpose, please let our Treasurer, Stephanie Frappier know.

Dues will not be paid from this account unless you let us know this is your wish.

Furthermore, if you would like to add money to this account, and use it later, you can. For instance, if you'd like to set aside some money from your Tax Return for summer camp, you can!
